Channel Letter

Extraordinary solutions are built on bright choices

SloanLED channel letter LED lighting products are designed for the whole spectrum of channel letter applications, including face and halo lit, shallow to deep can depths, and routed acrylic letters.

The complete solution for all your lighting needs.

SloanLED provides more than just lighting products. We're your trusted partner, providing high-efficiency, long lasting light solutions that represent significant energy and maintenance cost savings, easy installation, faster ROI, and exceptional performance with consistent brightness and uniformity, which is what makes SloanLED the bright choice.

Small channel letters

Channel letter applications 50-100 mm (2-4") deep

Standard channel letters

Channel letter applications 75-200 mm (3-8") deep

Large channel letters

Channel letter and sign box applications 127-305 mm (5-8") deep
