

Special 5 Years Limited Warranty for APEX POLYMER SOLUTIONS.

Plaskolite ("Polygal Plastics Industries Ltd.", "Panchim Ltd.") hereby grants a special warranty to APEX POLYMER SOLUTIONS for polycarbonate multiwall sheet types produced by "Polygal Plastics Industries Ltd."

This special warranty will be according to the specifications and conditions listed below for the PCSS 5 mm. 0,9 Kg./m² (hereinafter: "the product").

Warranty:

Polygal warrants that for a period of 5 years from the date of original purchase the Product will not undergo a loss in light transmission more than 6% light transmission unites in comparison with the original value when tested in accordance with ASTM-D-1003-95; and/or will not undergo a change in yellowness index in excess of 10 delta in comparison with the original value when tested in accordance with ASTM-E0313-20

Conditions:

If **Plaskolite** concludes that the Product does not perform as stated during the warranty period, **Plaskolite** shall, at its discretion, supply replacement sheets, or refund the purchase price thereof. In any event, **Plaskolite** shall have no liability whatsoever for the cost of removal of defective sheets or the installation of replacement sheets, or be liable for consequential or other loss, damage, misuse, improper storage, neglect or misapplication of the product, or other costs other than those specifically expressed herein.

This warranty applies only **Plaskolite** sheets which are treated, installed, cleaned, and maintained according to the manufacturer's recommendations.

It is important to note that the Product is protected on one side with a special UV radiation protective layer. This protected side must be installed on the exterior side of the installation for this warranty to be in effect.

No warranties are extended to the abrasion resistance characteristics of this product. No warranties are extended to the yellowing or loss of light transmission caused by dirt, scratches, breakage, backward radiation, or other damage.

This warranty specifically excludes **Plaskolite** sheets that have been formed or molded by vacuum or heat methods.

For the warranty to apply, every warranty claim must be notified in writing to Plaskolite within the warranty period and immediately after the occurrence of the defect, enclosing the sales receipt. APEX POLYMER SOLUTIONS must certify that the above conditions have been fulfilled and must allow inspection at the installation site if requested.

The foregoing is the sole warranty applicable to the a/m **Plaskolite** sheets supplied to APEX POLYMER SOLUTIONS only as specifically stated herein. Any other claim for damage or loss either direct, indirect, or consequential, whatever the cause thereof, is expressly excluded from the warranty.
